

STA5 BIRD-WATCHING TRIPS (South Florida Birding and Wildlife Trail Site)

Through a partnership with Hendry-Glades Audubon, the South Florida Water Management District will offer to the public escorted birding trips to Stormwater Treatment Area 5 (STA-5) located at the east end of Deer Fence Road located 27 miles south of Clewiston in eastern Hendry County until the Deer Fence Public Access Area is completed in the fall of 2012. Check for updates.
